

Ruth Burritt

Originally from Norwalk, I was looking for a a new home surrounded by nature. Sadly, when the parcel of wooded land next to my property was developed, I knew it was time to leave. Fortunately, my future husband found just what I was looking for in Beacon Falls! I've been a licensed insurance agent since 1975, currently working in Milford. More recently, also in Fairfield as bookkeeper. We are avid Uconn basketball fans (both men and women) and enjoy exploring natural parks. Especially kayaking at Toby's Pond!
