5. New Business

S. Ruhl indicated that there is a birthday party scheduled to be held at Pent Road on 08/25/2019. S. Ruhl noted that in the past, the applicants have brought in inflatables and staked a gazebo into the ground. S. Ruhl noted a concern about the inflatables not being insured and the application should have a statement added to it that this cannot be done. The statement should indicate that an insurance company needs to certify the inspection of the inflatables. Also, a statement should be added that the deposit will be forfeited for the use of cleaning the park if garbage is left behind. M. Fernandes noted that the insurance that they purchase for the use may already have something on the use of inflatables.
S. Ruhl indicated that having the YMCA in Naugatuck take over the summer camp may not happen. The YMCA requires for all day camp that lunch would need to be available for campers if they forget their lunch. S. Ruhl noted that there is no facility at Pent Road to provide food for the campers that could be between 50-60 campers. S. Ruhl also noted that if it rains during the day, the campers cannot be left under the pavilion from 9:00 AM to 3:00 PM. S. Ruhl mentioned that the cost of the camp, under the YMCA, would increase from $100 to $1,800 for the summer.

S. Ruhl informed the Members that Alison Sirowich is stepping down from the Summer Camp program.

S. Ruhl indicated that a grant writer is trying to be found for moving the Rimmon Hill Schoolhouse to the end of North Main Street. S.
