Prior to the start of the meeting, Valerie Knight-DiGangi, Program Officer at the Valley Community Foundation, gave a presentation entitled “The 2019 Valley Community Index: Understanding the Valley Region.”

1. Commencement of Meeting (Pledge of Allegiance, Roll Call, Public Comment)
   Vice Chair Mark Lauretti called the meeting to order at 10:03 a.m. Those in attendance recited the Pledge of Allegiance and the roll was called.

   For public comment, Hedy Ayers announced Eversource Energy would host an energy efficiency webinar for municipal officials in February. Samantha LaBonne, also of Eversource, stated that the utility has established a goal to be carbon neutral by 2030.

2. Report from the Nominating Committee and Election of 4 NVCOG Officers and 5 At-Large Executive Committee Members to Serve 1/1/20 – 12/31/21
   Tom Dunn presented the Nominating Committee’s report.

   **Officers**
   - Neil O’Leary – Chair
   - Mark Lauretti – Vice Chair
   - Pete Hess – Treasurer
   - Ed Mone – Secretary

   **Executive Committee**
   - Leonard Assard
   - Richard Dziekan
   - Thomas Dunn
   - David Merchant
   - Kurt Miller

   Mr. Dunn said if other NVCOG representatives are interested in serving on the Executive Committee, some of the existing members would be willing to step aside. He stressed the need for officers and committee members to be actively engaged in NVCOG activities.
There were no other nominations from the floor. Following discussion, on a motion by George Temple, seconded by Ed St. John, it was unanimously

VOTED: To approve the recommendation of the Nominating Committee for officers and executive committee members to serve from 1/1/20 to 12/31/21.

3. NVCOG Administrative Items
   a. Approval of the Minutes of the December 13, 2019 NVCOG and CNVMPO Meeting – On a motion by Ed Mone, seconded by Pete Hess, it was unanimously
      VOTED: To approve the minutes of the December 13, 2019 NVCOG and CNVMPO meeting.

   b. Approval of Agency Financial Report and Summaries for Period Ending 11/30/19 – Michael Szporyngel noted that the final audit report is complete. There have been no statistically significant changes from the draft report and no findings. On a motion by Ed Mone, seconded by Kurt Miller, it was unanimously
      VOTED: To approve the NVCOG financial report as presented.

   c. Director’s Report
      • NVision 2020 – Rick Dunne noted that this will be a follow-up to the original event held in 2016. Fundraising and corporate sponsors will be used to fund the event. NVision 2020 will cover the work of NVCOG and the priorities for the region.

      • Legislative Update – Mr. Dunne noted there may be an adjustment in the funding of COGs. Regional Performance Incentive funding will also be a focus in the upcoming legislative session.

      • Naugatuck Valley Rail Conference – This conference will take place on January 13, 2020 in Naugatuck. Members of the legislative delegation will be in attendance. Pete Hess stated that a comprehensive, cost effective plan that starts with immediate improvement to Waterbury Branch Line rail service will be presented. On a motion by George Temple, seconded by Ed St. John, it was unanimously
      VOTED: To endorse the NVCOG regional vision and priorities for rail.

4. 2020-2021 Preliminary Budget Adoption
   Rick Dunne explained that a preliminary budget must be voted on in January of each year in order to supply the towns with budget targets and to send out dues notices. Following review of the budget, which included a dues increase of 3%, on a motion by Rich Dziekan, seconded by Pete Hess, it was unanimously

   VOTED: To adopt the preliminary budget targets as presented, and to endorse and direct the issuance of preliminary dues notices.
5. **Resolutions of Support for RPIP Applications**
   
a. **Approval of NVCOG Resolution 2020-08 – Brownfields Center of Excellence** – Before addressing each RPIP application in detail, Rick Dunne noted they all had been submitted by the December 31 deadline. Additionally, OPM requires that resolutions and any supplemental documents be submitted in February. Additional town resolutions may also be required.

   Mr. Dunne then explained the RPIP Brownfields Center of Excellence application, if approved, would provide funds to NVCOG to study and implement an efficient program for the State to subsidize and administer brownfield redevelopment projects on behalf of all municipalities, bringing together all statutory powers, regulatory tools, and management expertise. On a motion by Ed Mone, seconded by Sheila O’Malley, it was unanimously VOTED: To approve NVCOG Resolution 2020-08 to authorize the proposal for funding through the Regional Performance Incentive Program to study and implement a Brownfields Center of Excellence Program.

b. **Approval of NVCOG Resolution 2020-09 – Regional Open Space Inventory** – Mr. Dunne explained that this project would ultimately benefit municipalities by collecting information on all perceived open space and categorizing it based on Sustainable CT standards, which would assist municipal staff in the collection of certain data required for open space plans, plans of conservation and development, and/or zoning regulations. Following discussion, a motion was made by Ed Mone, seconded by Kurt Miller, and the following roll call vote was taken:

   The motion carried, and it was therefore VOTED: To approve NVCOG Resolution 2020-09 to authorize the proposal for funding through the Regional Performance Incentive Program to create a regional inventory of open space parcels in the greater Naugatuck Valley region.

c. **Approval of NVCOG Resolution 2020-10 – Town Boundaries** – Mr. Dunne provided details for this proposal which would create a statewide municipal boundary layer that meets
Class D survey standards, as defined in Sec. 20-300b-11 of the Regulations of Connecticut State Agencies. It would benefit the state and all local governments, which currently use a variety of boundary layers, most of which are not based on survey and often differ among municipalities. The Western Connecticut Council of Governments would serve as the lead agency for this project. Following discussion, on a motion by George Temple, seconded by Gerry Smith, it was unanimously

VOTED: To lay this item on the table.

6. **NVCOG Planning/Transportation**
   a. *Update on Oxford Main Street Study* – Aaron Budris said this alternative transportation plan study is underway. The study will look at the Main Street/Route 67 corridor and how to improve bicycle and pedestrian access and safety. The potential for transit options in the corridor will also be explored.
   
   b. *Update on Thomaston-Torrington Routing Study* – Mr. Budris said this study is wrapping up. The draft report will be sent to the project committee next week for review.
   
   c. *Update on Waterbury and Bristol Corridor Study* – Christian Meyer reported that the consultant selection process for both of these studies is underway.
   
   d. *Update on Freight Plan* – Mr. Meyer said much of the work for the regional freight plan was done last summer in advance of the NVCOG 25 year transportation plan. The work will be revisited and made into its own document; many of the recommendations will stand.

7. **Emergency Planning Update**
   a. *Regional Emergency Planning Team (REPT)* – Joanna Rogalski reported that CT DEMHS met with Eversource to discuss response on both electric and natural gas service. CT DEHMS is also working with school districts on their annual all-hazard safety and security plan submittals. DEMHS Region 5 has identified a cyber security task force consisting of municipal information technology representatives and others.
   
   b. *Community Emergency Response Team (CERT)* – Annual reports are due in mid-February, and Ms. Rogalski has contacted emergency management directors about this.
   
   c. *Natural Hazard Mitigation Plan* – Ms. Rogalski said staff is putting together an RFP to engage a consultant to carry out technical aspects of the mitigation plan. A consultant selection committee has been established.

8. **Other**
   Mr. Dunne explained that resolutions may come to the local legislative bodies of the municipalities concerning the three RPIP applications, the one that was tabled and the two that passed. There may be some requirement that local municipalities approve them. Even though something may have been approved or rejected by the NVCOG representatives, there may be resolutions forwarded to the municipal legislative bodies asking them to approve or reject them. Mr. Dunne did not want anyone to be surprised by this, as it is simply a matter of how the statute was written.
9. **Adjournment**  
At 11:36 a.m., on a motion by Rich Dziekan, seconded by Len Assard, it was unanimously

VOTED: To adjourn the meeting.
