ADDENDUM NO. 1

Thursday, September 19, 2019

Bid Due Date: 9/27/19 10:00 a.m.

The attention of bidders submitting proposals for the above-referenced project is called to the following addendum to the specifications.

September 19, 2019

Q: We have reviewed your requirements and were wanting to know if a site visit is possible to see your plant and view the current SCADA system you have in operations and better understand your needs.

September 19, 2019

A: The Town is not opposed to allowing potential bidders to schedule a site visit with the WPCF/WWTP Superintendent next week. We did not anticipate the need so that is why it was left out as an option in this RFQ/RFP. Based on the bid submission deadline of Friday 9/27/19 at 10 a.m., the site visits would need to occur Monday (9/23/19) – Thursday (9/26/19) during regular working hours (7am-3pm). These will be BY APPOINTMENT ONLY. Please email WPCF/WWTP Superintendent Thomas Carey at tcarey@townofbeaconfalls.com as soon as possible to schedule a day/time. A minimum of 24 hours' notice is needed.
