Ms. Daigle,

Since we cannot attend the public meeting on August 27, 2021 we would like to voice our opinions against the Hopp Brook Estate Development applications.

As residents of Chatfield Farms for the past two years we feel our quality of life and that of all of Beacon Falls would be negatively impacted by this development. All Beacon Falls services especially emergency services will be negatively impacted by the addition of 109 new homes/families. We feel there would be an additional burden on the school system, our roadways and excessive traffic.

We respectfully request The Beacon Falls Town Board to deny all applications filed by The Hopp Brook Estate Development.

Respectfully submitted,  
Richard and Patricia Palfy
