**Subject:** Hopp Brook Estates Zoning Application

Lisa, Please forward to the Commission for the upcoming meeting.

We are opposed to the proposed development. It will increase our already high property taxes because of using town services and adding students to our school system. Chatfield Farms residents do neither of the above and probably pay the lion's share of the town taxes. This type of adjacent development will discourage new residents and adversely affect the value of our property. It should NOT be approved.

Respectfully submitted,  
Hazel & Paul Summers  
46 Fieldstone Lane,  
Beacon Falls
