To the Commission:

Attached please find a screen shot of the Hopp Brook Petition, Page 21, Exhibit 4 stating that "They (Hopp Brook) have a tentative agreement with Chatfield Farms, the adjacent property, to hook up sewers to their pump station. Both owners would maintain the pump station and share it's costs."

Joe Biancanelli, President of the Chatfield Farms Home Owner's Association, states that there has been NO CONTACT from Hopp Brook regarding connections of water or sewer to Chatfield Farms.

Respectfully,
