The U.S. Census Bureau announced that it will send an additional reminder postcard to households that have not yet responded. The postcard is scheduled to arrive between July 22 and July 28, a few weeks before census takers are set to begin visiting most households that have not responded. Households that receive a reminder in the mail after responding may disregard it.

As of July 1, 2020

The National Self-Response rate is 61.9%, with Connecticut at 65.3% and Beacon Falls at 72.4%. A pat on the back, at a distance, for supporting our goal that everyone is counted.
