-Notice of Construction in your Neighborhood-

May 4, 2023

Property Owner
Cotton Hollow & Beacon Valley Road
Beacon Falls, CT 06403

Dear Property Owner(s),

The Town of Beacon Falls would like to take this opportunity to provide information regarding the rehabilitation of Beacon Valley Road Bridge over Beacon Hill Brook. Construction is anticipated to begin in mid-May 2023 and conclude in Late Fall 2023. These dates are approximate and subject to change. Proposed improvements include repair and repointing of stone masonry, concrete encasement of arch supports, guiderail modifications, full-depth reconstruction, paving, and new signs and pavement markings.

Your street is near the Rehabilitation program, and Beacon Valley Road bridge will be limited to one way traffic during construction hours. There may be limited street access during construction projects, and alternative routes are encouraged for those who do not live on the street. The contractor will place a temporary Laydown area (see attached map) to allow for necessary daily equipment to be stored.

Project plans are available for inspection at the office of the Town Clerk, 10 Maple Avenue, Beacon Falls, CT. We appreciate your patience during temporary inconveniences that occur during construction.

Sincerely,

Gerard Smith
First Selectman

Enclosed: Map of Construction Laydown areas.
