Eversource is here to help you stay warm this winter.

If you're struggling to keep up with energy bills, there's a plan to help. To find the right options for you, call **1-800-286-2828** or visit eversource.com/billhelp.

PROTECTION PLANS

Keep your energy service on through the winter months while you get caught up on your bill.

PAYMENT PLANS

Lower your monthly payment and eliminate your account balance with Matching Payment Program, New Start or an extended payment plan.

STATE AND FEDERAL ASSISTANCE PLANS

Get money toward your heating bills with Connecticut Energy Assistance Program and emergency energy assistance through Operation Fuel. Renters can get help with rent and electric bills through UniteCT.

ENERGY EFFICIENCY PLANS

We'll help you find ways to make your home more comfortable and save money on your monthly bill.
