Household Hazardous Waste

What to Bring:

Mercury and Mercury thermometers, Drain & Oven Cleaners, Upholstery Cleaners, Poisons, Insecticides, Wood Cleaners, Aerosols, , Metal Polishers, Pool & Photo Chemicals, Automotive Cleaners & Fluids, Grease & Rust Solvents, Alkaline Batteries, and Fluorescent Bulbs.

What NOT to Bring:

No Auto Batteries, **No** Motor Oil, **No** Radioactive or Medical Waste, **No** Asbestos, **No** Explosives, and **No** Empty Fire Extinguishers, **No** Compressed Gas Cylinders, **No** Lead Paint Chips.

Limit of **50 lbs.** of waste per vehicle. Commercial and industrial waste will only be accepted through prior arrangement. Small quantity generators (CESQGs) please contact NVCOG if interested in participating in HHW collection.

Paint Collection

Connecticut participates in a statewide paint recycling program known as PaintCare. PaintCare provides free recycling of architectural paint by placing a small fee on newly purchased paint. Acceptable paints will be collected at HHW events.

Acceptable Paints:

Interior and exterior architectural paints, latex, acrylic, water-based, alkyd, oil-based, enamel, deck coatings, floor paints, primers, sealers, undercoatings, field and lawn paints stains, shellacs, lacquers, varnishes, urethanes (single component), waterproofing sealers (except tar or bitumen based), metal coatings, rust preservatives.

Containers **larger** than **5** gallons will **not** be accepted.
