

Town of BEACON FALLS
Connecticut

Public Works Department

September 14, 2020

STREET DEPARTMENT

Monthly Report

- Bulky Waste on 8/29/20 (1- mattress ,6- Bulk, 1- metal,1 electronic)
- Mowed all Town Properties
- Patch potholes on Town Roads.
- Cleaned and maintained C.B.'s tops (Oak Dr. Lower section of road is washing out)
- Trim trees and weeds along roadways for sight lines
- Finish 8/4 Storm clean up and haul debris to Breault dump site.
- Rebuild C.B.'s and replace C.B. tops with galvanized tops on Randall and Hillside Dr. C.B structures are block style built. Missing and deteriorating blocks were replaced with precast grade ring structures. The Hillside area had all direct burial utilities to work around. The new structures were back filled with process and compacted in lifts, prepared for asphalt.
- Met with Engineer for road projects design on sanitary sewer and storm drainage conditions
- C.B.Y.D mark outs and sewer connections.
- 8/27 call in for Storm issues, Andrasko Rd. tree on wires, and some small branches that needed clean up on roads around Town.
- Prepare for C.B. work om Jane, Stoddard, Columbine, and Lady Slipper
